

PSG COLLEGE OF TECHNOLOGY

PSG College of Technology, an institution of academic excellence, was founded in the year 1951 by PSG & Sons' Charities Trust. The institution is equipped with latest facilities and excellent infrastructure. The college has signed MoUs with research organizations and industries to promote closer interaction in the areas of technology development, student training, curriculum updation and establishment of state-of-art-centers of excellence. The mission of the institution is to provide world-class engineering education, foster research and development, evolve innovative applications of technology, encourage entrepreneurship and ultimately mould young men and women capable of assuming leadership of the society for the betterment of the country.

ABOUT THE DEPARTMENT

The Department of Biomedical Engineering was established in the year 2006 with a vision to in depth knowledge in the area of Electronics and Biomedical Engineering as well as professional skills necessary to face the challenges of the future and enable to find innovative applications of Technology for reaching the goal of Health for all in our Country. The department endeavors to educate students to acquire technical expertise and knowledge in the field of Biomedical Engineering to enable them to communicate and use that knowledge constructively for the benefit of the society.

ABOUT THE WORKSHOP

This workshop teaches the fundamentals of electronics, hydraulics and mechanics. Students learn to repair both diagnostic and therapeutic equipment that helps doctors provide better, more efficient care to patients. Work in this field is extremely hands-on, and biomedical repair technicians are expected to have an aptitude for troubleshooting and fixing mechanical problems. The objective of the workshop is to integrate & educate students on clinical and technical application of critical care products like patient monitors, syringe pump, infusion pump, pulse oximeter, defibrillator, diathermy, etc., and to transform Biomedical Engineers to Clinical Engineers (Fresher into Professional), to impart basic Technical knowledge about Critical care medical instruments (Fundamental Knowledge & Principles) and to impart problem solving & troubleshooting knowledge about Critical care medical instruments.

COURSE FEE (Inclusive of Service Tax)

UG/PG Students/ Research Scholars : Rs. 1000/-
Faculty from academic institution : Rs. 1500/-
The course fee includes course material and refreshments.

No TA/ DA/ ACCOMMODATION will be provided.

PSG College of Technology
Coimbatore-641 004

REGISTRATION FORM

National level workshop on
Biomedical Equipment Maintenance & Troubleshooting
9-10 February, 2018

Name: _____

Designation: _____

Department: _____

Name of the Institution: _____

Address: _____

Email: _____

Mobile: _____

Details of Registration

Amount: _____

DD No. & Date: _____

Bank: _____

Date: _____

Signature _____

TOPICS

The workshop will focus on the following areas:

CLINICAL APPLICATION MODULE

- Cardiovascular Anatomy & Physiology
- Basic Principle on Critical Care instruments
- Basic Principle on Anaesthesia workstation
- Role of biomedical engineers in Critical care & Expectations on the Engineers from the industry point of view

TECHNICAL APPLICATION MODULE

- Patient Monitors
- Syringe Pump
- Infusion Pump
- Diathermy
- Defibrillator

RESOURCE PERSONS

1. Mr. Boopathi Sakthivel (Senior Technical service) Schiller Healthcare India Pvt Ltd, Pondicherry
2. Faculty members from Dept of Biomedical Engineering, PSG CT

ELIGIBILITY

Faculty members and Research scholars, UG/PG students who wish to improve their research horizons in the field of Biomedical Equipment Maintenance and troubleshooting can attend this workshop.

REGISTRATION DETAILS

A maximum of 30 participants are permissible on first come first serve basis. The participants shall pay the Registration Fee through a **Demand Draft** drawn in favor of **"PSG CNCE"**, payable at Coimbatore on or before 05.02.2018. The applicants shall send the filled up registration form and the demand draft to the following address

Dr. B.Padmapriya

Associate Professor
Department of Biomedical Engineering
PSG College of Technology
Peelamedu, Coimbatore 641 004
Email: priyadhileep@yahoo.co.in
Mobile: 9443883109

CHAIRMAN

Dr. R. Rudramoorthy
Principal, PSG College of Technology

CONVENOR

Dr. R. Vidhyapriya
Professor & Head
Department of Biomedical Engineering, PSGCT

COORDINATOR

Dr. B. Padmapriya
Associate Professor
Department of Biomedical Engineering, PSGCT

PSG COLLEGE OF TECHNOLOGY
