

PSG COLLEGE OF TECHNOLOGY, COIMBATORE

DEPARTMENT OF PHYSICS

Applications are invited for Project Fellow/Project Associate positions for the project titled **“Flame Synthesized metal oxide nanoparticles for Photoanode in Dye Sensitized Solar Cells and Perovskite Solar cells”** funded by UGC-DAE-CSR, Govt. of India.

Name of Post : Project Fellow/Project Associate

Number of Posts : 01

Essential Qualification

Project Fellow	Project Associate
M.Sc (Physics/Materials Science/Nanoscience) with 55% marks Salary : I & II Year Rs.14000/- + HRA III Year as Project Fellow-II Rs.16000/- +HRA	M.Sc (Physics/Materials Science/Nanoscience) with 55% marks and GATE/CSIR- NET- JRF/Lectureship. OR M.E/M.Tech with 55% marks in the relevant subject Salary I & II Year Rs.25000/- + HRA III Year as Project Associate-II Rs.28000/- +HRA

Duration of the Project : 03 Years

How to apply:

Interested candidates can apply with complete Bio-data, copies of certificates/mark sheets, evidence of any other academic credentials such as CSIR/GATE/NET qualified (including contact details such as postal address/telephone/mobile/email id) to the address mentioned below on or before **23.02.2019**.
