

ORGANIZING COMMITTEE

Chairman

Dr K Prakasan
Principal
PSG College of Technology

Convenor

Dr G Sankarasubramanian
Professor & Head
Department of Civil Engineering
PSG College of Technology

Organizing Secretaries

Mr S Praveenkumar
Assistant Professor (Sr.Gr.)

Dr M R Nivitha
Assistant Professor

Department of Civil Engineering
PSG College of Technology

RESOURCE PERSONS

Dr. Anand Tadas, Technical specialist
Malvern Panalytical

Mr. Kandarp Bhatt, National Manager (civil)
Mr. T Biju, Senior Manager
Mr. P Muthukumarasamy, Manager
Aimil Limited

Mr. S Praveenkumar, Assistant Professor (Sr.Gr.)
Dr. M R Nivitha, Assistant Professor
PSG College of Technology

ABOUT THE TRAINING PROGRAMME

In the light of sustainable development, new materials are evolving consistently in the field of civil engineering. With advances in technology, equipments are now available using which characterization of various aspects of the material are possible with utmost precision. The objective of this training programme is to shed light on few such equipments used for concrete and bitumen. The training programme will cover both laboratory and field based equipments as listed below.

EQUIPMENTS

1. Laboratory ball milling
2. Pulveriser
3. RCPT apparatus (computerized)
4. Air permeability apparatus (computerized)
5. Heat of hydration
6. Corrosion analyser
7. Structures scan mini
8. Rotational viscometer
9. Dynamic shear rheometer
10. Ground penetration radar
11. Cannon-Manning viscometer

Hands-on training of all the above listed equipments will be provided by experts from AIMIL Limited. At the end of the training programme, the participants will acquire sufficient knowledge related to the application and working of the above equipments and gain sufficient confidence to operate them individually.

EXPECTED PARTICIPANTS

- Faculty and research scholars working in Engineering colleges

“Hands-on Training Programme on Advanced Equipments for Concrete and Bitumen”

September 13-14, 2019

Organized by

**Department of Civil Engineering
PSG College of Technology
Peelamedu, Coimbatore-641004**

In association with

**AIMIL Limited
New Delhi**

REGISTRATION DETAILS

Important Dates to Remember:

Last date for submission of registration form: 21-08-2019

Intimation date of selected participants : 23-08-2019

Last date for receipt of DD from selected participants : 04-09-2019

How to apply?

1) Interested participants can apply by sending the duly filled registration form to the organizing secretary.

2) On intimation of selection, the participants can send the confirmation letter along with Demand Draft drawn in favor of "PSG CNCE" payable at Coimbatore.

Registration fee: Rs. 1500/-

The registration fee includes cost towards course material, lunch, and refreshment.

Accommodation for participants is limited in the hostel premises on chargeable basis; participants are requested to confirm in advance.

The fee paid will not be refunded under any circumstances for the selected participant.

The number of participants is limited to 40 on first-come-first served basis.

The duly filled Registration form is to be sent to:

Dr M R Nivitha

Assistant Professor

ABOUT THE COLLEGE

PSG College of Technology, established in 1951, is one of the many educational institutions nurtured by PSG & Sons' Charities Trust. The college is Government-Aided, Autonomous, ISO 9001 2008 certified and affiliated to Anna University. Equipped with latest facilities and excellent infrastructures, the college offers a total of 48 full-time and part-time programmes in Science, Engineering and Management at UG & PG levels. The institution has a strong alumni base, most of them occupying coveted positions in many educational, industrial and research organizations all over the world. Currently more than 520 research scholars, both full-time and part-time, are working for their Ph.D. degree. The College has developed 25 Centres of Excellence in various disciplines. More research facilities have been created in tie-up with numerous leading industries worldwide.

ABOUT THE DEPARTMENT

The Department offers one undergraduate programme in Civil engineering and two post graduate programmes in Structural Engineering and Infrastructure Engineering. The department has conducted many international conferences and national conferences and several short-term refresher courses, AICTE sponsored summer/ winter schools besides consultancy work. International Conference EQADS 2011 on Earthquake Analysis & Design of Structures and SCACT 2012 on Sustainability Challenges and Advances in Concrete Technology have been organized. The department has expert faculty and excellent computational and experimental facilities. Several PhD degrees have been awarded and currently 15 students are pursuing their research work in the department. Many sponsored research projects have also been completed. The department has received laboratory enhancement grant and library grant under National Programme on Earthquake Engineering Education (NPEEE).
