

On Going Projects

Title: Flame Synthesized metal oxide nanoparticles for photoanode in Dye Sensitized solar cells and Perovskite solar cells

Funding Agency : UGC-DAE-CSR, Indore

Project Amount: Rs.7,39,000/-

Period: 2019-2022

Principal Investigator: Dr.P.Kathirvel

Title: Exploiting Ion Irradiation Effect on Gallium Oxide Thin Films for Photodetector Applications

Funding Agency: Inter University Accelerator Centre (IUAC), Delhi

Category : BTR-3 (Beam Time- Low Energy Beam)

Period: 2021-2024

Role: Principal Investigator
