**NOTICE INVITING TENDER**

A Centre of Excellence for Industrial Textiles (PSGTECHS COE INDUTECH) has been established by PSG Sons' & Charities under Mini Mission I of Technology Mission on Technical Textiles (TMTT), promoted by Office of the Textile Commissioner, Ministry of Textiles, Government of India. To augment facilities of Focus Incubation Centre, additional Machinery / Instruments / Equipments, short term sealed Tenders are invited from reputed manufacturers / suppliers of the same by The Director, PSGTECHS COE INDUTECH, Coimbatore.

- (1) Tender No. : *PSGTECHS COE INDUTECH /Tender FIC 4*  
(2) Approx. Estimated Value of Machinery / Equipment / Instrument : **Rs. 110/- Lakhs**  
(3) Date of Tender Document sales start : 05.11.2016 (10.00 AM onwards)  
(4) Date of Tender Document sales ends : 27.11.2016(04.00 P.M)  
(5) Last Date for Receipt of Tender : 28.11.2016 (04.00 P.M)  
(6) Date of Opening of Technical Bids : 29.11.2016 (10.00 A.M)

**Requirement:**

S. No.	Machine name
1	Cutting Machine: a) Hammer mill b) Mixing machine
2	Respiratory converting machine: a) Cutting machine
3	Ultrasonic bonding and Finishing machine: a) Non woven Ultrasonic bonding & Finishing machine for Home decorative b) Weighing balance for finisher machine
4	Filter converting machine: a) Dryer machine
5	Resin Impregnation machine for filters: a) Vaccum compression press
6	Yarn winding machine: a) Direct twisting machine for yarn winding
7	Melt blown cartridge making machine: a) DM water plant
8	Cutting & Polishing machine for Microscope: a) Cutting machine b) Grinding & Polishing machine c) Molding machine

The Tender Forms, Conditions of Contract including specifications and other information can be obtained from PSGTECHS COE INDUTECH, PSG College of Technology, Peelamedu, Coimbatore during working hours on any working day before the last date for sale of tender documents on payment of Rs.5,750 .00 towards cost of tender documents, which is not refundable. The tender document can also be downloaded from PSG TECH Website: [www.psgtech.edu/coeindutech](http://www.psgtech.edu/coeindutech); Tender documents down loaded from website should be accompanied by demand draft of the above mentioned amount towards tender document fee drawn in favour of “The Director, COE INDUTECH, PSGCT”, payable at Coimbatore, towards the cost of the tender document.

A pre-bid meeting will be held on **14.11.2016 at 10.00 AM** at Department of Textile Technology, PSG College of technology, Peelamedu, Coimbatore to clarify queries that may be raised at that stage on issues concerning “Instructions to Bidders” of the bidding document. The tender may be cancelled, withdrawn or postponed at any time by PSGTECHS COE INDUTECH, PSG TECH without assigning any reason.

## INTRODUCTION

PSG COLLEGE OF TECHNOLOGY, an institution of academic excellence, was founded in the year 1951 by PSG & Son's Charities Trust. The emphasis of the Trust started with vocational education & production oriented industrial training. In order to achieve these objectives, the founders wisely decided to locate the college in the same campus as the PSG Industrial Institute, which is a pioneer today in the manufacture of several engineering products like process and agricultural pumps, industrial motors and high quality specialty castings. Presently, PSG College of Technology boasts student strength of around 7000 along with 450 faculty members, with 130 doctoral qualifications.

The College has been in the vanguard of innovation in technical education, and over the years has taken giant strides and transformed itself into a prestigious centre for advanced studies in several faculties of Engineering, Technology, Applied Sciences, Management Studies and Computer Science and Applications. Recognizing the excellent infrastructure, faculty, progressive outlook, high academic standards and record performance, the University of Madras reposed abundant confidence in the capabilities of the College and PSG College of Technology was conferred Autonomous Status in the year 1978 to update its own programmes and curriculum, to devise and conduct examinations, and to evaluate students performance based on a system of continuous assessment. The academic programmes are designed and updated by a Board of Studies at the department level and Academic Council at the college level.

These statutory bodies are constituted as per the guidelines of the All India Council for Technical Education. A separate examination section headed by a Controller of Examinations conducts the examinations. PSG College of Technology an AICTE approved institution is affiliated to Anna University and ISO 9001 certified. Most of our programmes have been accredited by National Board of Accreditation (NBA). Sedulous progress has been the hallmark of PSG Tech. The growth and development of the college owed much to the untiring efforts of Dr. G. R. Damodaran, Founder Principal of PSG College of Technology. Presently Dr. R. Rudramoorthy is the Principal of the Institution.

The Textile department is well known for its extensive extension activities in several key sectors of Textile Technology including hosieries, silk and non-traditional areas like jute based fabrics. There are several sponsored projects currently being undertaken in the department. The major facilities in the department includes Nuovo Pignone Flexible Rapier loom with Stauble Electronic Dobby, Grosse Electronic Jacquard Air jet loom, Ruti-c high speed automatic loom, Braiding machine, Two for one twister, Open end spinning machine, Sulzer Ruti Flexible Rapier Loom, Kawabata Fabric Handle

Evaluation system, Air Permeability Tester, Jaypack Computer Color Matching system, Anti microbial finishing Lab, Nonwoven & Composite Manufacturing and Nano Finishing centre.

A Centre of Excellence for Industrial Textiles and Home Textiles, PSGTECHS COE INDUTECH, PSG TECH has been established at PSG TECH under the Scheme for Growth & Development of Technical Textiles (SGDTT) under Mini Mission I of Technology Mission on Technical Textiles (TMTT), promoted by Office of the Textile Commissioner, Ministry of Textiles, Government of India. PSGTECHS COE INDUTECH, PSG TECH provides testing facilities as per International standards for different products of Industrial textile segment, including fibre, yarn, fabrics as well as the final product. The information resource centre at PSGTECHS COE INDUTECH is equipped with technical literature, reference material, books, specifications and a sample bank containing samples of various products and information about manufacturing, production standards, testing procedures etc for the products of Indutech segment. Pilot plant facilities are established for development of prototypes / technology of main spectrum of Indutech products which will be transferred to the industry after standardization and optimization of the production process. COE in the near future will begin to impart training to textile technologists, academicians, scientists etc from TRAs, Institutes and Industry to develop a set of core professionals (trainers) on Indutech. The PSGTECHS COE INDUTECH, PSG TECH conducts workshops with the personnel of allied industries for awareness and promotion of respective technical textile products. Need-based Audio-visual films are being prepared on various aspects viz. technicality of potential products / application areas / installation & manufacturing process of INDUTECH segment and will be shown among users, manufacturers, entrepreneurs etc during workshops/seminars etc. The PSGTECHS COE INDUTECH, PSG TECH also provides support to the BIS in formulation of standards for INDUTECH segment.

## II) DETAILS OF TENDER AND TENDER NOTICE

Tender in sealed cover is invited by PSGTECHS COE INDUTECH, PSG TECH from manufacturers or authorized agents for the supply of machinery and testing instruments / accessories for the use of focus incubation centre at COE. Details of the machinery, equipments, accessory including resource and training centre and their specifications are given in Annexure I of this Tender document. Interpretation of the terms & conditions and other related issues in the Tender would lie with PSGTECHS COE INDUTECH, PSG TECH only. Tenders can be obtained from PSGTECHS COE INDUTECH, PSG TECH, Peelamedu, Coimbatore - 641 004, Tamil Nadu. The tender document can also be downloaded from the website of PSG TECH at [www.psgtech.edu/coeindutech](http://www.psgtech.edu/coeindutech). Tender documents down loaded from website should be accompanied by demand draft of Rs.5, 750.00 as specified tender document fee drawn in favour of "The Director, COE INDUTECH, PSGCT", payable at Coimbatore. One tender document is adequate even if bids are submitted for more than one item. Tender documents are available from **05.11.2016 @ 10.00 am** onwards to **27.11.2016 up to 4.00 p.m.** LAST DATE FOR SUBMISSION OF DULY FILLED UP SEALED TENDER AT PSGTECHS COE INDUTECH, DEPARTMENT OF TEXTILE TEHNOLOGY, PSG COLLEGE OF TECHNOLOGY, PEELAMEDU, COIMBATORE is **28.11.2016 up to 4.00 p.m.** On **29.11.2016** the technical bids will be opened at **10.00 a.m.** at PSGTECHS COE INDUTECH, Department of Textile Technology, PSG College of Technology, Peelamedu, Coimbatore.

A pre-bid meeting will be held on **14.11.2016 at 10.00 am** at PSGTECHS COE INDUTECH, Department of Textile Technology, PSG College of Technology, Peelamedu, Coimbatore to clarify queries that may be raised at that stage on issues concerning "Instructions to Bidders" of the bidding document as well as those relating to technical specifications.

PSGTECHS COE INDUTECH, PSG TECH reserves the right to accept or reject any or all the bids either in full or in part at its discretion without assigning any reason thereof. Address for Communication: PSGTECHS COE INDUTECH, Department of Textile Technology, PSG TECH, PO Box 1611, Peelamedu, Coimbatore - 641 004, Tamil Nadu.

### III (A) TERMS AND CONDITIONS – GENERAL

1. Tender documents shall be issued by PSGTECHS COE INDUTECH, PSG TECH at Coimbatore to manufacturers / authorized agents. PSGTECHS COE INDUTECH, PSG TECH, Coimbatore will be the tender issuing authority.
2. Modifications, if any, made in the above documents will be done by addenda / corrigenda, copies of which will be sent in duplicate to each bidder before the due date of the tender. One copy should be signed, sealed and submitted along with the technical bids. Tender to be submitted, is as detailed hereafter. The bidder shall not make any additions / deletions to or amend the text of the documents except in so far as may be necessary to comply with any addenda / corrigenda issued. The bidders shall use only tender documents as issued for submitting their bid and shall comply with terms and conditions mentioned therein.
3. Original Tender document duly signed by the authorized person on all pages without any deletion or addition other than addenda / corrigenda released.
4. The full name of the person authorized to file the tender, designation, current and main office address, Phone Number, Fax Number and E-mail address shall be indicated in the tender.
5. Tenders sent through E-mail, Fax and Telex will not be entertained.
6. The tender should be filled in English. All accompanying literature and correspondence shall also be in English.
7. No claim for costs, charges, expenses incurred by the bidder in connection with preparation of tender for submission and for subsequent clarifications of their tender shall be accepted.
8. PSGTECHS COE INDUTECH, PSG TECH will not be responsible for any typographical errors/ ambiguity/ additions / omissions committed by the bidder while filling up of the tender.
9. Submission of a bid by a tenderer implies that the bidder has read all terms and conditions, and has made himself aware of the scope and specifications of the items to be supplied, availability of materials, local conditions and other factors bearing on the execution of the supply.
10. The bidder shall be deemed to have full knowledge of documents and no extra charges consequent on any misunderstanding or otherwise shall be allowed.
11. Any questions regarding the tender document and discrepancies shall be directed to the Tender Issuing Authority in writing and / OR mail to [psgindutech@gapps.psgtech.ac.in](mailto:psgindutech@gapps.psgtech.ac.in) within 7 days from the date of publication of tender. The Tender Issuing Authority will issue all clarifications, interpretations, meanings and specific directions, if any after pre bid meeting, in duplicate in writing to all the bidders. One copy of these shall be returned duly signed and seal affixed along with the bids.
12. It is for reasons mentioned under point numbers: 2 and 11 above that those intending bidders, who have downloaded Tender Documents from our said websites are suggested either to remain in touch

with Tender Issuing Authority, PSGTECHS COE INDUTECH, PSG TECH, through writing or visit our named website at intervals deemed fit, so that they will not get left out from being informed as and when addenda / corrigenda/ clarifications, interpretations, meanings and specific directions, if any, are issued.

13. The bidder shall be deemed to have satisfied himself before tendering as to the correctness and sufficiency of his tender and about the rates quoted by him and cover all his obligations under the tender.
14. Bids submitted by manufacturers and authorized agents only shall be considered.

**15. Earnest Money Deposit:**

Tender must be accompanied by Earnest Money Deposit (EMD) at the rate of 2% of total cost that is stated in S.No. i) Of Annexure II separately for each item that is being quoted for, in the form of DD / Pay order/ Bank Guarantee in favour of "The Director, COE INDUTECH, PSGCT", payable at Coimbatore. In case of bank guarantee, the format that is to be used for furnishing bank guarantee is posted at our website [www.psgtech.edu/coeindutech](http://www.psgtech.edu/coeindutech) and is also available with this document; the same shall only be used without any deviations whatsoever. Failure to adhere to this norm will lead to rejection of tender. Separate bank guarantee should be provided for each item quoted. Note that the bank guarantee format given is to be used only for EMD. **EMD shall be paid in Indian currency only.**

The EMD of unsuccessful bidders will be returned on or before the 30<sup>th</sup> day after the award of the contract.

The EMD of 2% for successful bidders will be returned after receiving the security / performance deposit. (Read point 16 for details on security / performance deposit)

**16. Security deposit and performance security :**

A security deposit at the rate of 5% of the total cost in the form of DD/BG shall be collected from the successful bidder and shall be held back as security deposit till successful installation, trial and training and subsequently as performance security deposit till the **end of completion of the free services. The amount shall be returned after the completion of all contractual obligations including warranty obligations or completion of the free services. If it is failed the EMD will not be returned at any circumstances.**

The EMD shall be forfeited if the tenderer withdraws his offer after the tender opening during the bid validity period or after the award of contract. PSGTECHS COE INDUTECH, PSG TECH shall not be liable for payment of any interest on EMD and security / performance deposit or any depreciation thereof.

Any offer not accompanied with the EMD shall be rejected summarily as non-responsive.

**17. Authority of signing:**

If the tender is submitted by an individual, it shall be signed by him.

If the tender is submitted by a proprietary firm, it shall be signed by the proprietor.

If the tender is submitted by a partnership firm, it shall be signed by all the partners of the firm or by a partner holding the power of attorney for the firm for signing of the tender, in which case, a certified copy of power of attorney shall accompany the technical bid.

If the tender is submitted by a limited company or a corporation, it shall be signed by a duly authorized person or the person holding the power of attorney for signing of the tender, in which case a certified copy of the power of attorney shall accompany the technical bid.

#### **18. Price & Currency bid:**

The tender shall be filled up in English with a neat hand / type and all the figures and words shall be legible.

The rates shall be written both in words and in figures. The bidder shall also show the amount of each item, the total of each section and the grand total of the whole tender.

Correction(s), if any, shall be made by crossing out, initialing with date and rewriting.

In case of conflict between the figures and words in the rates, the latter shall prevail.

The tenders shall be verified by the bidder for accuracy in the arithmetical calculations, prior to submission.

#### **18.1 Technical details shall contain:**

- a) Original Tender document duly signed by the authorized person on all pages including addenda / corrigenda without any deletion or addition other than addenda / corrigenda released.
- b) Compliance to technical specifications of the equipment / item for which bids are submitted – Authorized person to specify “all the above technical specifications will be complied with” and sign in respective pages of the Tender document, where machinery / equipment / instrument items for which bids are submitted are given and also give the exact specifications complied with of the machinery / equipment / instrument.
- c) Compliance to the terms and conditions of the tender document – Authorized person to specify, “All the above terms and conditions will be complied with” and sign in respective pages of the tender document, where “terms and conditions” are given. If any modifications / clarification are needed in the tender document that should be taken in the knowledge PSGTECHS COE INDUTECH in writing and / or mail to [psgindutech@gapps.psgtech.ac.in](mailto:psgindutech@gapps.psgtech.ac.in) within 7 days from the date of publishing tender. No modifications/correction / addition in the tender document were not allowed.

- d) Adherence to the stipulated delivery schedule of the equipment / item – Authorized person to specify “delivery schedule given above will be complied with” and sign in respective pages of the tender document, where “Delivery Schedule” is given as in Annexure II and Annexure III.
- e) Proof that the bidder is (i) either manufacturer or (ii) an authorized agent for the equipment / item for which the bid is submitted.
- f) List of organizations in India and abroad, along with Name of contact person, address, Tel. No., Fax No. etc., to which similar make / model of the machinery / equipment / instrument were supplied in the past.
- g) Compliance that the bidder has manufactured or supplied the machinery / equipment / instrument during the **past 2 years** for tendered item and performance report from at least 2 such users for the past 2 years.
- h) Covering letter, in the letter head of the bidder, stating:
1. That the minimum warranty period will be one year after installation and commissioning of the machine / equipment.
  2. That the bid conforms to the terms and conditions of the tender.
  3. Confirmation about the supply of Certified Reference Materials / Samples for checking the performance of the machinery /testing instruments, wherever applicable.
  4. Confirmation that the quoted rates are valid till **24.04.2017**.
  5. The details regarding the service centres, stocking of spares etc.,
- (i) Addenda / corrigenda / clarification issued by PSGTECHS COE INDUTECH, PSG TECH before due date of tender, duly signed by the authorized person.
- (j) Descriptive leaflet / brochure giving the technical details of the machinery / equipments / instruments/accessories.
- (k) A letter indicating assumptions, criterion, technical alternative etc., if any. However, the alternatives suggested by the bidder would not be taken as the basis for technical / commercial evaluation of the bids.
- (l) The probable life expectancy of the machine / instrument / accessory under normal conditions of operation should be stated wherever applicable.
- (m)Details of pre-installation requisites including Consumables, space, electric power, compressed air supply, water / gas supply and any other, size of the table required in the case of test instruments etc.
- (n) Power of attorney authorizing the person who has filed the tender, if applicable.

- (o) A copy of the certificate for the calibration of the similar makes and model of equipment / instrument for which bid is submitted from an accredited calibration laboratory or National Physical Laboratory wherever applicable.
- (p) Profile of bidder's organization.
- (q) Complete Bill of material.

**18.2 Commercial details shall contain:**

- a) Total cost of the main equipment / instrument and accessories (imported / indigenous) required for the functioning of the equipment, including the control system, printer, packing & forwarding, taxes etc., duly filled and signed in the format prescribed in the tender document at Annexure – II. No money other than the total indicated above will be payable on any account.
- b) Calibration charges for next 4 years and Annual Preventive Maintenance charges for the next 3 years after the expiry of the warranty period, in the format prescribed in the tender document at Annexure – II.

**19. Validity of the tender:**

Rates quoted by the bidder shall be valid till **24.04.2017** or to an extended date as agreed upon mutually.

The Bidder shall not withdraw or revise or alter any condition(s), rate(s) quoted within this stated period, unless he is called upon to do so on mutual agreement / negotiations.

**20. Opening of tender:**

The Tender shall be opened by the Purchase Committee constituted by the Competent Authority, PSGTECHS COE INDUTECH, PSG TECH, at Coimbatore, at the time, date and venue as given under item S.No. II – “Details of Tender and Tender Notice”. (Page No. 6 of this Tender Document).

**21. Agreement:**

The successful bidder shall sign an Undertaking on Judicial paper worth Rs.100/= in the format prescribed in Annexure V before releasing of the purchase order by PSGTECHS COE INDUTECH, PSG TECH. A copy of the purchase order so received should be signed and returned as a token of acceptance of the terms and conditions of the Purchase Order along with security deposit (DD/BG) of 5% will be collected and retained till successful installation, trial and training, subsequently to which it will be retained as performance security deposit till the end of the warranty period and the amount shall be returned after 60 days after the completion of all contractual obligations including warranty obligations.

The EMD of 2% for successful bidders will be returned after receiving the security / performance deposit. (Read point 16 for details on security / performance deposit)

## 22. Criterion for rejection:

PSGTECHS COE INDUTECH, PSG TECH reserves the right to accept or reject any tender or reject all tenders without giving any reason whatsoever for their decision.

Tenders liable to be rejected are those in which any of the prescribed particulars / information is either missing or incomplete in any respect and / or if the prescribed conditions are not fulfilled. Tenders which are found to be technically non-responsive shall be rejected and their commercial details shall not be considered.

Canvassing in connection with tender is strictly prohibited and tender submitted by bidder who resorts to canvassing will be liable to rejection. Tenders containing specific conditions of the bidder, other than the terms and conditions given in the tender document, and not acceptable to PSGTECHS COE INDUTECH, PSG TECH, are liable to be rejected.

If the validity of the tender is not up to **24.04.2017**, the tender will be rejected.

If the tender document is not duly signed by the authorized person on all pages, the same will be rejected.

PSGTECHS COE INDUTECH, PSG TECH caters to a wide range of customers / stake holders including manufacturers / exporters. Hence, Purchase Committee may at its discretion, give preference to more popular brands of machines and instruments / accessories, which are generally believed to out-perform and output results that are widely accepted internationally and the decision of the Committee on this score will be final.

Before submission of the tender, the prospective bidders are expected to examine technical specifications of the equipments required, terms and conditions, etc., given in this tender document. Failure to furnish all information required in the tender document may result in the rejection of the bid.

PSGTECHS COE INDUTECH, PSG TECH reserves the right to cancel items, from the stated list of requirement of machinery, equipments and instruments, without assigning any reason thereof.

23. It should clearly be noted that all contracts resulting out of entering into a formal agreement / issue of a purchase order for procurement of any machinery / equipment / instrument will be interpreted under Indian Laws and for all disputes the jurisdiction will be Coimbatore only.
24. In case of any dispute or difference between the PSGTECHS COE INDUTECH and the supplier in respect of/arising out of the transaction right from the stage of submitting tender shall be referred to the decision of the sole arbitrator to appointed by PSGTECHS COE INDUTECH and the decision of the said arbitrator will be final and binding upon the parties and all concerned.

### III (B) TERMS AND CONDITIONS – SPECIAL

- A. Cost details are to be filled up in the prescribed format as given at Annexure – II for the machinery, equipments and instruments as applicable, imported / indigenous as the case may be, indicating therein total charges.
- B. All accessories start up kit required for installation & commissioning the main equipments is to be specified and quoted and to be included in the CIF / CIP value. (The machine / equipment will be placed in new lab, so add all the items. If it is noticed later stage, the supplier will take responsible for the short supply)
- C. All consumable spare parts for 3 years and replacement of the broken/damaged parts during the guarantee / warrantee period without any charge. The list of those items should clearly mention in a separate sheet with cost. These items should not be included in the CIF / CIP value.
- D. The terms of payment in case of indigenous machinery / equipment shall be:
- a) 20% of the total price of the machinery / equipment will be paid as advance on receipt of acceptance of purchase order and proforma invoice.
- b) 80% of the total price of the machinery / equipment will be paid after successful commissioning of the machinery / equipment, demonstration of satisfactory performance and imparting training to the technical personnel of PSGTECHS COE INDUTECH, PSG TECH.
- E. For indigenous items, the bidder should take responsibility for delivering the machinery/ equipments (FOR) inside the premises of PSGTECHS COE INDUTECH, PSG TECH at good conditions.
- F. **The suppliers of machinery / equipment should provide adequate training in two phase manner for at least 2 technical personnel of PSGTECHS COE INDUTECH, PSG TECH, per equipment, including trouble shooting etc and make them confident of operating the same independently. (One training at the time of commissioning for min 3 working days and 2nd training after 2 or 3 months (for Min 3 working days) from the date of commissioning). If not done, the performance security amount will not be returned.**
- G. The bidder shall adhere to the delivery period of the equipment / item as committed by him in Annexure II or the one indicated in Annexure III of the tender document, whichever is earlier. Penalty for non-execution of the order within the delivery period and also for non execution of commissioning and training shall be 1% of the total cost (Without Tax) (CIF/CIP / FOR) of the equipment / item for every week of delay.

Any amendments in the purchase order are addressed to the purchase committee within 5 days from the date of issue of purchase order. Delivery period will be remaining unchanged.

Should the delay become unavoidable due to some unforeseen reason, this fact together with proper justification for the same should be communicated to the Chairman, Purchase Committee, PSGTECHS COE INDUTECH, PSG TECH and his written permission should be obtained to avoid penalty. The

decision of the said Chairman on matters relating to grant of extension of time will be final and binding on the bidder.

- H. During the warranty period, regular servicing / maintenance should be undertaken free of charge, including the replacement of defective parts / travel cost, etc. Subsequently, servicing / maintenance should be undertaken by the authorized agency of the manufacturer / supplier as per the annual maintenance contract conditions.
- I. Operation manuals, calibration procedures and other instruction documents should be provided along with each of the equipment in English version only.
- J. Terms for service contract (comprehensive or non-comprehensive) after the expiry of warranty period are to be clearly stated.
- K. The Control Systems like computer and printer, compatible to the main machine / instrument, are to be supplied from indigenous sources with latest configuration and licensed operating system.
- L. If the bidder is not himself a manufacturer but, is participating in the tender as the agent of the manufacturer, authorization letter of the manufacturer to the bidder for marketing and servicing the equipments in India should be enclosed along with the technical bid of the tenderer. In the absence of such authorization, the tender will not be considered at all.
- M. In case of short supply / damaged condition or wrong supply of machinery / instrument, its parts or accessories or supply of items in damaged condition, it is the responsibility of the bidder to arrange for the supply of the required items in good working condition as per the purchase order within a reasonable time at supplier's own cost. Any additional expenditure, whatsoever, for the above will be borne by the bidder only. In case of issue of purchase order for local items which is required for the imported item, the same should be supplied before the delivery of the imported goods.
- N. The specifications given in this document are the minimum requirement. The bidders are free to offer machinery / equipments / instruments with better features (including attachments) also. However, evaluation shall be based on the features mentioned in the tender document only. If different models are quoted, the cost details may be given in separate sheet.
- O. Orders for the supply of items, once placed with successful bidder, are non-transferable and no subcontracting is permitted. PSGTECHS COE INDUTECH, PSG TECH reserves the right to cancel the order in such an event.
- P. Any non-fulfillment of the stipulations given above will make the bid invalid.
- Q. The bids shall first be evaluated for their "technical responsiveness" which shall inter-alia include,
  - (i) Proof that the bidder is (i) either manufacturer or (ii) an authorized agent for the machinery/equipment / item for which the bid is submitted,

- (ii) Enclosure of EMD and Tender Document fee being applicable in those cases, where tender document was downloaded from our websites,
- (iii) Compliance to technical specifications of the machinery / equipment for which the bid is submitted,
- (iv) Adherence to the warranty period,
- (v) Documents in support of compliance to the calibration of the equipment / instrument and its traceability to national / international standards of measurement and proven performance through proficiency testing, wherever such requirement is specified.
- (vi) Necessary documentary proof that the bidder has manufactured or supplied the machinery / equipment during the past 2 years along with the list of such customers and performance report of the machinery / equipment from at least 2 of such customers / users for the past 2 years.
- (vii) Details regarding the service centres, stocking of spares etc.
- (viii) Confirmation about the supply of Certified Reference Materials / Samples for checking the performance of the testing instruments, wherever applicable. CRM or reference samples to be supplied along with the instruments for period enough quantity (Min running of 2 years) along with traceability certificate.
- (ix) Compliance to all other relevant and critical terms and conditions of the tender.
- (x) Validity of the tender up to **24.04.2017**.

**If any of the above mentioned parameters are not fulfilled, the bid will be considered as technically non-responsive.**

- R. The commercial details of those bidders who are technically responsive only shall be evaluated based on the following criteria: (Commercial bid opening date will be informed through mail only)
- (i) Total price of the equipment as CIP / CIF, Chennai for imported items.
  - (ii) Total price (FOR) of the indigenous items including delivery charges up to PSGTECHS COE INDUTECH, Neelambur, Coimbatore.
  - (iii) AMC charges for **three** years after the expiry of the warranty period.
  - (iv) Calibration charges for **next 4** years after warranty period.
- S. Fluctuations in foreign exchange rate in respect of imported equipments / machinery shall be borne by the equipment / machinery supplier or authorized agent only.

**List of instruments along with the Technical Specifications of the State-of-the-art Machinery /  
Equipments / Instruments**

**Annexure I**

<b>#</b>	<b>Machine name</b>	<b>Page No.</b>
1	<b>Cutting Machine:</b> a) Hammer mill b) Mixing machine	18
2	<b>Respiratory converting machine:</b> a) Cutting machine	19
3	<b>Ultrasonic bonding and Finishing machine:</b> a) Non woven Ultrasonic bonding & Finishing machine for Home decorative b) Weighing balance for finisher machine	20
4	<b>Filter converting machine:</b> a) Dryer machine	21
5	<b>Resin Impregnation machine for filters:</b> a) Vacuum compression press	22
6	<b>Yarn winding machine:</b> a) Direct twisting machine for yarn winding	23
7	<b>Melt blown cartridge making machine:</b> a) DM water plant	24
8	<b>Cutting &amp; Polishing machine for Microscope:</b> a) Cutting machine b) Grinding & Polishing machine c) Molding machine	25

## **1. Cutting machine**

### **a) Hammer mill**

#### **Technical specification:**

- a) Capacity - 350 kgs / hr,
- b) Motor - Approximately 15 hp,
- c) Feeding material - Branches of wood or coconut leaf stem,
- d) Particle output size - 3 to 20 mm, with bottom perforation of 20 mm

### **b) Mixing machine**

#### **Technical specification:**

The machine is intended to mix the coir pith, wood waste/coconut leaf stem/tuft waste particles along with the adhesive of required quantity. The ingredients are put in to the top opening of the mixer and the blade mixes the material thoroughly.

- a) Capacity - 350 kgs / hr,
- b) Motor - Approximately 10 hp,
- c) Provision for the removal of the mixed material at the bottom of the machine.

## **2. Respiratory converting machine**

### **a) Cutting machine:**

#### **Technical specification:**

- a) Cutting size of the board is 8 ft x 6 ft,
- b) Provided with double cutter, one fixed cutter and one movable cutter, movable cutter should be able to move from 2 ft to 8 ft,
- c) with all necessary safety guards for cutter and
- d) with all necessary accessories for smooth operation of the machine

PSGTECHS COE INDUTECH

### **3. Ultrasonic bonding & finishing machine**

#### **a) Non woven Ultrasonic bonding & Finishing machine for Home decorative:**

##### **Technical specification:**

- a) Print size - 2500 mm x 1250 mm,
- b) Print head - Ricoh - Gen 5 Grey level Piezo print head,
- c) Print resolution - 600 x 2400 dpi,
- d) Print mode - uni directional & bidirectional,
- e) Ink color - LM,LC,Y,M,C,K(Optional),
- f) No of head - 5 ( 6,7,8 heads can be quoted as optional),
- g) Material thickness - up to 100 mm,
- h) Ink type - UV curing ink,
- i) Material type - Coir sheet, wood, Glass, Acrylic, Corrugated sheet, Textile material, Plastic, etc,
- j) Input format - Adobe post script level 3,PDF,Jpeg,Tiff,Eps,Al,
- k) With water cooling LED UV lamp,
- l) With automatic material thickness measurement

#### **b) Weighing balance for Resin Impregnation**

##### **Technical specification:**

- a) Conveyor weighing balance to fix on line with machine
- b) Conveyor size - 8 ft x 6 ft
- c) Capacity Max 200 kgs
- d) Resolution - +/- 50 gms or less
- e) With suitable number of load cells
- f) With battery backup and digital display

## **4. Filter converting machine**

### **a) Dryer for Resin Impregnation**

#### **Technical specification:**

- a) Thermo pack capacity - 10,00,000 Kcal / hr
- b) Maximum outlet Temperature - 280 deg
- c) Fuel - Wood /Husk Briquette
- d) Accessories like pumps, duct collectors, Non return valves, gate valves, Strainers, etc should be supplied
- e) In & Out Oil pipe line between thermo pack and machine with proper insulation should be supplied along with the machine. Distance between machine and power pack Approximately 200 ft.
- f) Suitable Thermic oil should be supplied
- g) Any other optional items for better operation/performance of the machine can be added as optional

PSGTECHS COE INDUTECH

## **5. Resin Impregnation machine for Filters**

### **a) Vaccum compression press**

#### **Technical specification:**

- a) Type : Press closed from all three sides
- b) Capacity of the main Ram: 30 MT
- c) Cylinder : Double Acting type
- d) Ram Movements : Upstroke
- e) Day Light : 300 MM
- f) No. of Daylights : 1 no.
- g) Stroke Length : 300 MM
- h) Bed Size : 400x 400 mm (clear space)
- i) Mode of Heating : By Electric/Thermic coil heating
- j) Operation : Both Auto/Inching Mode of Operation.  
: With Auto Air breathing provision.  
: PLC - Controlled operation.
- k) Hydraulic pressure : 200 bar
- l) vacuum generation : Yes
- m) Vacuum Pump Capacity : 3 H.P.
- n) Heating Temp. of platens: 350 to 400 degree Cel.
- o) Cooling system for platens : Yes (Air/Water cooling)

## **6. Yarn winding machine**

### **a) Direct twisting machine for yarn winding machine:**

#### **Technical specification:**

- a) No. Of Twisting Units : 2
- b) Twisting speed : Up to 18000 twist / min, Totally Independent adjustment for each spindle
- c) Twisting Range : up to 2000 twist / mtr.
- d) Take up speed : up to 200 mts / min
- e) Yarn count range : 90 – 500 Denier
- f) No. of plies : 8
- g) Twist : S & Z
- h) Yarn break sensor : Required
- i) Package : Cone / Cheese

PSGTECHS COE INDUTECH

## 7. Melt blown cartridge making machine

### a) DM water plant:

#### Technical Specification:

##### Water Purification System-Type 2

- 1) The system should produce min 15 ltr/hr types 2 grade water.
- 2) Need to provide 100 litre PE reservoir.
- 3) Should provide suitable Distribution pump for the final product D.I. water so that the same is pressurized at 2 bar for forced delivery.
- 4) Pretreatment cartridge with antiscaling compound and silver impregnated carbon.
- 5) High flux Thin film composite polyamide RO membrane with 94- 99% rejection.
- 6) Conductivity meter before and after RO to measure the performance of the system.
- 7) Recirculation loop with capillary tube and diaphragm valve
- 8) Mixed bed ion electro deionisation module with auto regeneration.
- 9) Carbon beads at cathode of the EDI module to prevent scaling of the module.
- 10) EDI (ElectroDeIonisation) module should not require any softening pre-treatment.
- 11) Permeate divert valve which will divert low quality water to the drain.
- 12) Feed water acceptance up to 2000 micro Siemens conductivity, Fouling Index (SDI) < 12, Total Chlorine < 3 ppm.

##### Product Water Specifications

Resistivity	: 15 Meg Ohm.cm (typically 10-15)
Conductivity	: < 0.2uS/cm (typically 0.067 to 0.10)
Silica	: 99.9% rejection
Water Recovery	: 15-18%

Suitable for ATLAS UV accelerated Weatherometer (Ci 3000+)

## **8. Cutting & Polishing machine for Microscope**

### **Automatic Grinding and polishing machine:**

- A) Single disc
- B) Rotational speed 50-500 rpm
- C) Magnetic disc
- D) Central force and individual force
- E) Table top model
- F) Head speed 150 rpm
- G) Dosing unit
- H) In-built method storage

<b><u>Hot Mounting Machine:</u></b>	<b><u>Cold mounting:</u></b>
a) Automatic Electro hydraulic machine	A) Vacuum impregnation unit with inbuilt vacuum ejector
b) Temperature control up to 180 Degree C	B) Compressed air 4.5-6 bar
c) Force 350 Bar	C) Cold mounting kits for EBSD application
d) Cooling and heating time 0-15 Min	D) Fluorescent dye to use in microscopy to make cracks and pores visible
e) Auto detection of Mould size	E) Indication of actual and set pressure/ time
f) 30 mm mould size	F) In-built method storage
g) In-built method storage	G) Inner diameter of Vacuum chamber 200mm Dia.

### **AUTOMATIC PRECISION CUTTING MACHINE**

A table-top, Low Speed precision cutting machine. Recirculation cooling unit should be a part of the machine, Cut-off wheels, specimen holders, additive for cooling fluid and clamping tools are as per the detailed specifications along with accessories and spares as follows:

Power supply should be 1/3 x 200-240 V / 50-60 Hz.

### **GENERAL:**

- 1) The machine shall be table-top model, high precision, user friendly and easy to operate.
- 2) The machine should be able to cut composite materials, fibres (mounted) precisely & without any deformation.

### **CUTTING CAPACITY:**

Machine should cut the samples Up to 30 mm. Cutting pressure 0-350g; axial movement 0-25mm. Speed should vary 100- 400 rpm

### **ACCESSORIES & SPECIMEN HOLDERS:**

Flange set of 42mm and 65mm diameter for using diamond cutting wheel.

### **CUT-OFF WHEEL:**

The machine should accommodate the Diamond cut-off wheel and CBN wheel size from 75 mm to 127 mm dia.

### **RE-CIRCULATION COOLING UNIT:**

A re-circulation cooling unit should be a part of the basic unit.

The tank for water free cooling media should be made of stainless steel with connecting pieces for easy replacement of Cooling media. It is placed underneath the cut-off wheel

It should ensure constant low temperature during cutting.

Re-circulation Cooling unit capacity – 250 ml.

All SAFETY FEATURES should be adopted.

**Spares and consumables should be quoted separately.**

**FORMAT FOR COST DETAILS**

(Cost particulars should be given in this format machinery-wise / instrument-wise/ accessories-wise separately)

Note: All the cost particulars should be furnished either in Indian Rupees or Foreign Currency. If more than one model of the machinery / instrument is quoted, use separate sheets.

Part 1: Cost details of imported equipments / instruments:

Name of the Machinery /Instrument:		
S.No.	Cost Details for Foreign Components	Cost with currency
i)	Total CIP / CIF Chennai cost inclusive of all demands – like, taxes & duties, inspection, packing, forwarding & handling charges, insurance charges, freight charges and all other. (Detailed break-up must be given separately). Optional items cost quoted separately.	
ii)	Start up items (Pre installation items)	
iii)	AMC details:- AMC rate per year (comprehensive / non comprehensive) for the next 3 years after the expiry of warranty period including the accessories (Two preventive and one break down visits)	1 <sup>st</sup> Year : 2 <sup>nd</sup> Year : 3 <sup>rd</sup> Year :
iv)	Calibration charges per year for the next 4 years, after the expiry of warranty period.	1 <sup>st</sup> Year : 2 <sup>nd</sup> Year : 3 <sup>rd</sup> Year : 4 <sup>th</sup> Year :
Total		
EMD @ 2% of Total CIP / CIF cost as it appears under S.No. (i)		
Delivery schedule of the machinery / equipments		___ months

Part 2: Cost details of Indigenous machinery / equipments / instruments:

Name of the Machinery / Instrument:		
S.No.	Cost Details for Indigenous items	Cost in Rupees
i)	Total cost inclusive of all demands – like, taxes & duties, inspection, packing, forwarding & handling charges, insurance charges, freight charges upto PSGTECHS COE INDUTECH, Coimbatore (FOR)and all other. (Detailed break-up to be given separately).Bill of materials must be submitted along with this. Optional items cost quoted separately.	
ii)	Start up items (Pre installation items)	
iii)	AMC (Including calibration) details:- AMC (Including calibration) rate per year (comprehensive / non-comprehensive) for the next 3 years, after the expiry of warranty period including the accessories (Two preventive and one break down visits)	1 <sup>st</sup> Year : 2 <sup>nd</sup> Year : 3 <sup>rd</sup> Year :
iv)	Calibration charges per year for the next 4 years, after the expiry of warranty period.	1 <sup>st</sup> Year : 2 <sup>nd</sup> Year : 3 <sup>rd</sup> Year : 4 <sup>th</sup> Year :
Total		
EMD @ 2% of Total cost as it appears under S.No. (i)		
Delivery schedule of the machinery / equipments		___ months

<b>S. No.</b>	<b>Details of Requirement for Opening L/C. (Imported items only)</b>
1	Foreign Supplier's Name and Complete address on whom L/C will be opened
2	Foreign Banker's Name & Address
3	Foreign Supplier's Bank Account No. and Swift Code
4	Port of shipment
5	Country of Origin
6	Period to keep open the L/C - (Validity of L /C)
7	Period of negotiation will be 21 days
8	Delivery Schedule from the date of issue of Purchase order

Note:

1. Additional copies may be taken for each machinery / instrument
2. Octroi, if paid, will be reimbursed separately at actual.

**DELIVERY SCHEDULE FOR INDIGENOUS /IMPORTED EQUIPMENT**

<b>S. No.</b>	<b>Machinery / Equipment</b>	<b>Delivery Schedule - maximum time limit</b>
1	Indigenous Item	2 – 3 months from the date of issuing Purchase Order / release of 1 <sup>st</sup> advance amount.
2	Imported Item	3 – 4 Months from the date of issuing Purchase Order / issue of LC

PSGTECHS COE INDUTECH

**FORMAT TO BE FILLED UP AND SUBMITTED  
IN THE LETTER HEAD OF THE BIDDER DURING BID SUBMISSION**

To

The Director  
PSGTECHS COE INDUTECH  
PSG TECH  
Post Box No. 1611  
Peelamedu  
Coimbatore - 641 004

Dear Sir,

Sub: Supply of Machinery/ Equipments /Instruments and / or accessories to PSGTECHS COE INDUTECH, PSG TECH as per the specifications mentioned in the Tender - Reg.

Ref: Your Tender No. PSGTECHS COE INDUTECH/FIC 4 DT **05.11.2016**.

- 
- a) Having examined the conditions of Tender and Specifications of the machinery, instruments and / or accessory, we, the undersigned, offer to supply machinery / instruments and equipments as mentioned in Annexure I as per the specifications given in the tender along with standard spares / accessories as specified.
- b) Earnest Money Deposit (EMD) as given in Point No.15- Page No. 8 – Under III (A) – Terms and Conditions - General in the form of Bank Demand Draft / Pay Order / Bank Guarantee in favour of “The Director, COEINDUTECH PSGCT” payable at Coimbatore as detailed in Tender Conditions is enclosed.
- c) The original tender document duly signed on all pages is enclosed.
- d) We agree to abide by the conditions mentioned in this tender during the entire period when it remains active.
- e) If our tender is accepted, we undertake to supply the machinery / instruments and equipments and install the same at **PSGTECHS COE INDUTECH, PSG TECH, Neelambur Campus** within the specified periods mentioned by us in Annexure II.
- f) We agree to supply consumable spare parts and replacement of the broken/damaged/non-compatible parts during the guarantee / warranty period, free of charge, as per the terms and conditions.
- g) The probable life expectancy of the machine/instrument/accessory under normal conditions of operation will be \_\_\_\_\_ Years.
- h) We agree to train the personnel of PSGTECHS COE INDUTECH, PSG TECH free of charge, as per the terms and conditions.

- i) If our tender is accepted we will obtain and arrange:
1. To sign an Undertaking on Judicial Paper worth Rs.100/= in the format prescribed in Annexure V before releasing of the Purchase order by PSGTECHS COE INDUTECH, PSG TECH.
  2. Security deposit at the rate 5% of the total cost of the equipment in the form of DD/BG will be Submitted along with accepted purchase order within 10days.
  3. Any other statutory obligation, if any, prior to commencement of supply of machinery / Instrument.
- j) We agree for the validity of our tender up to **24.04.2017**.
- k) We understand that unless and until a formal Agreement / order is prepared and issued by PSGTECHS COE INDUTECH, PSG TECH, this tender together with our written acceptance thereof, shall constitute a binding contract between us and PSGTECHS COE INDUTECH, PSG TECH.
- l) We declare that only tender documents, as issued for submitting this bid have been made use of by us and agree to comply with terms and conditions contained therein.
- m) We understand that you are not bound to accept the lowest or any other tender you may receive.
- n) We agree to make a presentation of the products to be supplied by us, before the Purchase Committee, if need be, on a mutually convenient date.

**PROFORMA FOR BANK GUARANTEE FOR EARNEST MONEY DEPOSIT**  
(TO BE OBTAINED FROM A NATIONALISED BANK IN INDIA)

Ref: \_\_\_\_\_ Date: \_\_\_\_\_ Bank Guarantee No: \_\_\_\_\_

In accordance with invitation to Tender Notice No. PSGTECHS COE INDUTECH/ FIC 4 Dated **05.11.2016** for procurement of machinery, equipments and accessories under Centre of Excellence (COE) - INDUTECH for PSGTECHS COE INDUTECH, PSG TECH, Post Box No.1611 Coimbatore – 641 004. (herein after referred to as PSGTECHS COE INDUTECH), M/s. BIDDER'S Name & Address (herein after referred to as BIDDER) wish/wishes to participate in the said tender and a Bank Guarantee for the sum of Rs.\_\_\_\_\_ (Rupees\_\_\_\_\_ ) valid up to **24.04.2017** is required to be submitted by the Bidder toward the Earnest Money Deposit for -----(Instrument Name)

1. We the (Banker's Name\_\_\_\_\_ ) (Indicate the Name of the Bank) (Hereinafter referred to as 'the Bank') at the request of the BIDDER do hereby unequivocally and unconditionally guarantee and undertake to pay during the above said period, on written request by PSGTECHS COE INDUTECH an amount not exceeding Rs.\_\_\_\_\_to the PSGTECHS COE INDUTECH, without any reservation. The guarantee would remain valid up to **24.04.2017** and if any further extension to this is required, the same will be extended on receiving instruction from the BIDDER on whose behalf this guarantee has been issued.
2. We the bank do hereby further undertake to pay the amounts due and payable under this guarantee without any demur, merely on a demand from the PSGTECHS COE INDUTECH stating that the amount claimed is due by way of loss or damage caused to or would be caused to or suffered by the PSGTECHS COE INDUTECH by reason of any breach by the said BIDDER of any of the terms or conditions or failure to perform the said bid. Any such demand made on the bank shall be conclusive as regards the amount due and payable by the Bank under this guarantee. However, our liability under this guarantee shall be restricted to an amount not exceeding Rs. \_\_\_\_\_ (in words).
3. We, the bank undertake to pay the PSGTECHS COE INDUTECH any money so demanded not withstanding any dispute or disputes so raised by the supplier(s) in any suit or proceeding instituted/pending before any court or Tribunal relating thereto, our liability under this agreement

being absolute and unequivocal. The payment so made by us under this bond shall be a valid discharge of our liability for payment there under and the supplier(s) shall have no claim against us for making such payment.

4. We the bank or our local branch at Coimbatore further agree that the guarantee herein contain shall remain in full force and effect during the aforesaid period i.e. **24.04.2017** and it shall continue to be so enforceable till all the dues of the PSGTECHS COE INDUTECH under by virtue of the said Bid have been fully paid and its claims satisfied or discharged or till PSGTECHS COE INDUTECH certifies that the terms and conditions of the said bid have been fully and properly carried out by the said BIDDER and accordingly discharges in guarantee. Unless a demand or claim under this guarantee is made on us in writing on or before the **23.05.2017** we shall be discharged from all liability under this guarantee thereafter.
5. We, the bank or our local branch at Coimbatore further agree that the PSGTECHS COE INDUTECH shall have the fullest liberty without our consent and without affecting in any manner our obligations here under to vary any of the terms and conditions of the said bid or to extend time of performance by the said BIDDER from time to time or to postpone for any time or from time to time any of the powers exercisable by the PSGTECHS COE INDUTECH against the said BIDDER and to forbear or enforce any of the terms and conditions relating to the said bid and we shall not be relieved from our liability by reason of any such variation, postponement or extension being granted to the said BIDDER or for any forbearance act or omission on the part of the PSGTECHS COE INDUTECH or any indulgence by the PSGTECHS COE INDUTECH to the said BIDDER or by any such matter or thing whatsoever which under the law relating to sureties would but for this provision, have effect of so relieving us.
6. This guarantee will not be discharged due to the change in the name, style and constitution of the Bank or the BIDDER.
7. We, the bank or our local branch at Coimbatore lastly undertake not revoke this guarantee during its currency except with the previous consent of the PSGTECHS COE INDUTECH in writing.
8. We, the bank further agree that this guarantee shall also be inviolable at our place of business at \_\_\_\_\_ in the state of \_\_\_\_ dated \_\_\_\_\_ day of 2016.

9. Notwithstanding anything contained herein above
- I. Our liability under this Bank guarantee shall not exceed Rs. \_\_\_\_\_/- (Rupees \_\_\_\_\_ only)
  - II. This Bank guarantee shall be valid up to **24.04.2017** and
  - III. We are liable at pay the guaranteed amount or any part thereof under this Bank guarantee only and only if you serve upon us a written claim on or before **23.05.2017**.

## V) CHECK LIST TO THE BIDDERS

1. Get all the clarification regarding terms and conditions during the pre bid meeting or by writing to the Director, PSGTECHS COE INDUTECH, PSG TECH, Coimbatore, prior to submission of bids.
2. The original tender document downloaded in full copy has to be submitted along with the technical details duly signed on all the pages.
3. Ensure that requirements pertaining to compliance to technical specifications as specified in 18.1 (b) of page no. 8 and compliance to the terms and conditions as in 18.1 (c) of page no. 8 have been completed in full. If any deviations are there in the specifications, the details may be given separately as Annexure.
4. The required Earnest Money Deposit (EMD) for each machine / instrument as mentioned in the Tender Document is to be enclosed. The DD / Pay Order/Bank Guarantee are to be kept in a separate cover super scribed cover "C"
5. A covering letter duly signed by the person as per the specimen given at Annexure IV of the tender document is to be enclosed.
6. Ensure that User certificates from at least two users, on their letter head stating that the performance of similar make and model supplied to them is satisfactory is enclosed.
7. Descriptive leaflet / brochure of the machinery / equipment quoted are to be enclosed along with the technical details.
8. Copy of certificate for the calibration of similar make and model of the equipment / instrument for which bid is submitted from an accredited calibration laboratory or NPL, if applicable, is enclosed.
9. **The Technical and commercial details are to be submitted separately super-scribing "Cover 'A' - Technical details for \_\_\_\_\_ Machine / instrument / accessory, Cover 'B' - Commercial details for \_\_\_\_\_ machine / instrument / accessory and Cover "C" should contain EMD, Tender document fee, signed tender document and Annexure IV. All three covers are to be put together in one envelope and sealed properly, super-scribing the name of the machine / instrument / accessory.**
10. Proof regarding manufacturer / authorized agent, as the case may be, is enclosed.
11. Prior to submission of bids, bidders have to ensure that the instrument / equipment quoted by them are suitable for carrying out the tests as per the national / international standards mentioned in the specification.
12. Cost details are to be given in the prescribed format only. If more than one model of machine / instrument is quoted, separate sheets may be enclosed.

**\*\*\*\*Check before submitting the tender document:**
