INAUGURATION CAMP 2022

DATE : 11/09/2022

VENUE : Suler Venkatanathan Perumal Temple

**“There is no higher religion than human service. To work
for the common good is the greatest creed”**

- Woodrow Wilson

The National Service Scheme, inspired by the ideologies of Mahatma Gandhi, has been known for its impact on young students to develop the essence of democratic living and upholds the need for self-less service. For the **academic year 2022-2023**, Our National Service Scheme of PSG College Of Technology has commenced its journey by organizing an **INAUGURATION CAMP 2022** at **Suler Venkatanathan Perumal Temple** on **11th September 2022**.

The inauguration function was presided by the Chief Guest, **Dr. J Krishnamoorthy**, Professor and Head, Department of Metallurgical Engineering, PSG College Of Technology. About **57 volunteers** actively participated in cleaning the temple to make arrangements for the inauguration function. The inauguration function commenced at 10:30 am with a prayer song, followed by the Welcome Address delivered by NSS Programme Officer, **Dr. C. Theivasu**, where he welcomed the gathering by conveying the history of NSS activities in PSG College Of Technology. The Chief Guest of the day, Dr. J. Krishnamoorthy, spoke the role of NSS in the youth society and added a short backstory of the temple. Then, **Dr. C. Veeramani**, NSS Programme Officer, listed out the achievements of NSS, PSG College Of Technology in the past year which showed the dedication and perseverance of the students after which **Dr. R. Senthil Kumar**, NSS Programme Officer, introduced the Office Bearers for the academic year 2022-2023. **Dr. L. Thulasimani**, NSS Programme Officer, briefed the audience on the upcoming events and projects of NSS for the year 2022-2023 which included camp activities and various occasion events.

Finally, the event was concluded with a vote of thanks by **Dr. N. Brindha**, NSS Programme Officer, where she thanked the participants and congratulated the new Office Bearers team and wished them the best. After the inauguration, all **the volunteers cleaned the temple** which showed the eagerness of the NSS volunteers to work for the society. All the volunteers were split into groups and various temple cleaning activities were performed such as **lawn cutting and cleaning the holy sculptures & verandah of the temple**. Thus, the NSS started its work evidently on the very first day of the inauguration for the year 2022-2023.
