CHELLAPAMPALAYAM-GARDENING CAMP

DATE: 24/09/2023

VENUE: Chellapampalayam, Ponnandampalayam

“A Journey to the forest of sprouting trees.”

National Service Scheme, PSG College of Technology organized a one-day gardening camp in **Maarivanam** on **24th September 2023** at **Chellapampalayam**, an adopted village by NSS.

The volunteers reached the camp site at 9:00 AM. Around 48 volunteers participated in this gardening camp. The day started off with a prayer song sung by a volunteers. Followed by that, Thirukkural and News were read by the volunteers. Later, volunteers where educated about the importance and uses of Palm tree. After the Prayer, NSS Secretary Lakshman announced the works to be done on that particular day. **Dr. R Senthil Kumar**, NSS Program Officer accompanied and guided the volunteers. Volunteers actively cleaned the garden, removing waste plants to create a healthier environment. The main task was planting palm tree seeds in the outskirts of the garden.

The works were completed around 2:00 PM, the volunteers were gathered in Government Higher Secondary School, Chellapampalayam. After completing the lunch, the Student Development Program was conducted and the volunteers were actively participated in it. The NSS Program Officer Dr. R Senthil Kumar then provided the information on the value of tree planting and waste disposal.

After the Student Development Program the volunteers then visited Ponnandampalayam Library and involved in cleaning the plastic wastage around it. The day came to an end with the cleaning of the area around the library.
