-Helen Keller

The National Service Scheme (NSS) is a government-sponsored program in India that aims to promote social welfare and community service among college students. Our National Service Scheme (NSS) of PSG College of Technology organized an Inauguration Camp on **10<sup>th</sup> September 2023** at **Kalangal Kalyana Perumal Temple**. The aim of the camp was to introduce and familiarize participants with the objectives, activities, and principles of NSS. The camp served as a platform for students to engage in community service.

The inauguration camp is coordinated by NSS program officers Dr. Senthil Kumar, Dr. Brindha, and Mr. Saravanan. The Inauguration Camp for the year 2023-2024 began at 09:45 am with Tamil Thaa Vazhthu, followed by Thirukkural and daily news was read by the students. A total of 64 enthusiastic volunteers actively participated in the cleaning camp. The temple authorities supported as in volunteering this cleaning camp.

Volunteers were divided into groups and were involved in various activities throughout the cleaning camp. Short breaks were provided for refreshments. This marked the NSS's proactive start to its activities on the first day of the inauguration camp. Thus, with the help of the NSS Volunteers the event was successfully organized and came to an end.
