### ORPHANAGE CAMP - 2023

**VENUE** : Karuvalur, Avinashi

**DATE** : 15/10/2023

“Excellence is a continuous process, not an accident”

The National Service Scheme (NSS) at PSG College of Technology is dedicated to fostering a spirit of service among our students. The ORPHANAGE CAMP-2023 was organized to commemorate the birthday of the world-renowned scientist, Dr. A.P.J. Abdul Kalam, on Students' Day, which falls on October 15, 2023.

In this camp, a total of 74 volunteers participated enthusiastically. Our NSS Programme Officers, Dr. R. Senthil Kumar, Dr. Saravanan, and Dr. Thulasimani, accompanied the volunteers and coordinated the camp. The volunteers were divided into two groups. One group conducted fun and engaging games for the kids at the orphanage to uplift their spirits. The other group was tasked with cleaning the gardens owned by the Sri Shankara Sevalaya orphanage home. We also shared some sweets with the children to make their day even sweeter and more delightful.

The ORPHANAGE CAMP - 2023 left a lasting impact on both the volunteers and the children at Sri Shankara Sevalaya. It underscored the profound influence of small acts of kindness. Our commitment remains steadfast as we aspire to create more moments of joy and meaningful service, thus making a positive and enduring impact on our community and contributing to a brighter future for all.
